Cost of Camp

The actual cost of camp is approximately \$450 dollars. The Diocese budget and generous grants cover over \$100 of this.

Financial Assistance through the Diocesan Office: *While the cost of camp continues to rise, it is still our desire that no camper is left out because of finances. We hope parishes & deaneries will help with the cost for each camper. The Diocese has money budget for financial assistance for campers who may need this. To request financial assistance submit the form you receive after you have registered. It is our policy to ask that each participant pay SOMETHING towards the fee. This may be as little as it cost to feed your child for a week at home. Please remember that our funds are limited and there are people truly in need – we don't want to leave them out! And remember the early bird-special.*

Camper Fee: Early-bird special \$310 (registration & deposit received by) May 1
Deadline \$340 (registration & deposit received by) July 21

There is a \$100 non-refundable deposit due with the completed registration. *Deposit must be received by May 1 to qualify as early bird*
