Episcopal Youth Camp 2010

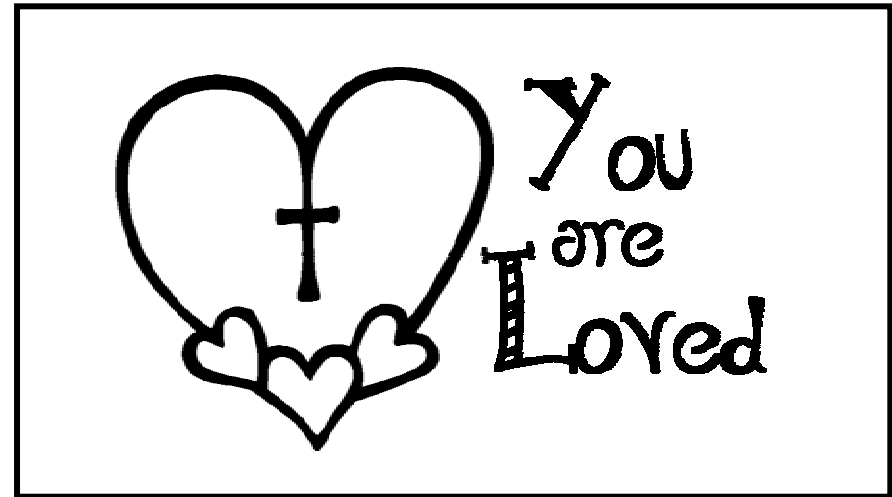

Senior Camp August 8-14

Senior Camp is for those entering grades 9-12 & is run as a leadership training program

along with being a traditional summer camp. We participate in the regular fun of camp (arts & crafts, swimming, archery, etc.), and we also work in teams to help plan and lead activities during the day.

Junior Camp August 15-21

Junior Camp is for young people entering grades 3-8 and is a traditional summer camp with swimming, canoeing, archery, hiking, music and arts & crafts. It is a Christian Camp where cabin groups plan the daily Eucharist with the visiting clergy. We experience God in the woods, by the water, and with each other.
