

Praying with Anglican Prayer Beads

Prayers and Instructions Compiled in the
Diocese of Western Michigan

Guidelines For Using Prayer Beads

Plan and practice. Become familiar with each bead in the circle. Decide which thoughts or prayers to assign to the cross and to each bead. Try to memorize these words and thoughts. Since the beads are an aid for meditation or contemplation, you will want to be able to work through the beads intuitively, focusing on your state of mind.

Find the right time and place. Allow enough time to work through the beads in an unhurried pace. Find a place that is quiet, where you can be undisturbed. Start and end with a moment of silence. Get centered. Leave worldly concerns behind, so to speak. Prepare to focus on your meditation. Then start with the thoughts or prayers you have assigned to the cross. End with silence to allow time for reflection.

Steps For Using Prayer Beads

1. Hold the Cross and say the prayer you have assigned to it.
2. Move to the Invitatory bead and say the prayer you have assigned to it.
3. Enter the circle of the prayer with the first Cruciform Bead. Moving to the right, go through the first seven beads to the next Cruciform bead, continuing around the circle, saying the prayers for each bead

Closing Your Prayers

After three circuits (which signifies the Holy Trinity) around the prayer beads, you may finish as follows:

Invitatory Bead - The Lord's Prayer

The Cross - I bless the Lord.
